

Our Vision

Kings County Behavioral Health and its partners build programs that empower individuals and their families to achieve sustained well-being from mental illness and addiction.

Our Mission

To promote, support, and invest in the wellness and recovery of individuals living in the communities of Kings County by creating opportunities to contribute, learn, work and find hope in each day.

Our Core Values

- Mindfulness
- Integrity
- Trustworthy
- Respect
- Innovation

KINGS COUNTY
behavioral health

Our Belief

Mental Health is important to everyone in the community, and Kings County Behavioral Health (KCBH) is here to serve all our residents.

With a "whatever it takes" approach and innovative initiatives that provide greater outreach, KCBH is helping people in the community in need of mental health services.

Our staff provides various aspects of care: **PREVENTION, EARLY INTERVENTION, ASSESSMENT, TREATMENT, SUPPORT, & TRAINING.**

We seek to provide culturally appropriate and responsive services to : **ADULTS, YOUTH, FAMILIES, VETERANS, & SENIORS.**

We do a lot, and in the future we'll do even more. We understand that mental health issues impact households county wide, but we want you to know that you're not alone. Help is just a phone call away at KCBH. Stay updated @ www.kcbh.org.

Our Services

Kings County Behavioral Health provides many services that fall under the California's Mental Health Services Act. Here is a sampling of services.

COMMUNITY SERVICES & SUPPORT (CSS)

Wrap-Around: Supports youth with behavioral issues through a coach who partners with the family at home and the teacher at school.

Full Service Partnership: Free assessments, case management, counseling and other supports for adults with serious mental illnesses, or emotional disturbances, including special outreach for seniors over 60. Learn more @ kcbh.org/adults.

PREVENTION & EARLY INTERVENTION (PEI)

Family Member Support Group: Provides support to families and others coping with mental health issues, including schizophrenia, bipolar, and depression. Meetings are first and third Tuesdays of the month. Learn more @ kcbh.org/adults.

School Based Services: Individual Counseling/Therapy, Skill Building Groups & Clubs, Joven Noble, Trevor Project. Visit kcbh.org/youth-and-families

Loss Team: Volunteers who reach families as soon as possible after losing a loved one to suicide. Learn more @ kcbh.org/suicide-prevention

Loss Team: Volunteers who reach families as soon as possible after losing a loved one to suicide. Learn more @ kcbh.org/suicide-prevention

INNOVATION (INN)

Youth Research and Resiliency Project: Pilot program in which county teens, guided by a mentor, will survey peers to determine their behavioral health needs to help the county better serve its younger residents.

WORKFORCE EDUCATION & TRAINING (WET)

Mental Health First Aid: Instruction on how to help stabilize a person in crisis until he/she can receive professional treatment.

ASIST: Workshop covering ways to help prevent the immediate risk of suicide. Visit kcbh.org/trainings

SUBSTANCE USE DISORDERS (SUD)

KCBH funds community-based SUD programs for those in need of services with alcohol and/or drug addictions. These services include an array of prevention programs and efforts. Visit kcbh.org/sud
